

CHRISTCHURCH

Set on the Canterbury Plains, Christchurch is New Zealand's garden city on the east coast of the South Island. Flat-bottomed punts glide on the Avon River, running through the city centre. On its banks are cycling paths, the green expanse of Hagley Park and the Christchurch Botanic Gardens. Our city Otautahi is better now than ever; the vibrant inner city is an ever evolving mix of old and new with many changes. Explore the town and celebrate the classic icons that remain. Why not come and see for yourself, and enjoy the changing landscape and riverfront restaurants and cafes.

VENUE

St Andrew's College celebrated its centenary in 2017 and is one of the largest school campuses in Christchurch, with an extensive range of buildings and grounds stretching across 13 hectares.

Accommodation is available across its three boarding houses.

THEME

The theme of the 57th annual convention is 'Living Sober'.

"And we repeat: Somewhat to our surprise, staying sober turns out not to be the grim, wet-blanket experience we had expected! While we were drinking, a life without alcohol seemed like no life at all. But for most members of A.A., living sober is *really* living - a joyous experience. We much prefer it to the troubles we had with drinking.

One more note: anyone can *get* sober. We have all done it lots of times. The trick is to stay and to *live* sober."

*From an official statement issued July 31, 1964
